Multicultural Values

Our values are rooted in the provincial motto, From Many Peoples Strength, and the treaty relationships that define our province. All work that the Multicultural Council of Saskatchewan does is guided by these values, which are expressed as:

Respect for Diversity

We recognize the multicultural diversity of the people of Saskatchewan. We believe in the strength of supporting cultural continuity and pride in one's cultural ancestries. We celebrate the sharing between cultures because culture is a two way street.

Recognition and Rejection of Racism

We recognize the negative impact of racism and discrimination. We promote the importance of all people in overcoming these issues to achieve equitable outcomes for all Saskatchewan residents.

Intercultural Connections

We actively support and encourage efforts to bring communities together in ways that will build relationships based on understanding and respect to foster capacity for problem solving and planning.

Integration

We support welcoming and inclusive communities that create a sense of home and belonging. We recognize the creativity and innovation that arise from bringing different cultural perspectives together and cultivating the unique contributions of all.
