Dear Rhonda:

Re: Multicultural Council of Saskatchewan - Proclamation Request – November 17-25, 2018 as ‘Saskatchewan Multicultural Week’ in Yorkton

---

On behalf of Yorkton City Council, I would like to thank Darlene Stakiw representing the Multicultural Council of Saskatchewan and Edith Montesclaros, Executive Director of the East Central Newcomer Welcome Centre for their attendance and presentation at the Regular Council Meeting on Monday, October 29, 2018. It is recorded in the minutes that Council resolved to proclaim November 17-25, 2018 as ‘Saskatchewan Multicultural Week’ in Yorkton.

The City of Yorkton is pleased to have supported this week for the past 25 years! It is our hope that the efforts and events organized for this week are successful in bringing this community together in fellowship, fosters learning, fun, and identifies several “Multicultural Heroes!”

We are sorry to hear about the absence of the Festival of Cultures for 2018. It has been such a positive experience in the community for the past several years sharing different foods, dances, games, and most of all, a warm welcome to residents! We wish you the best in finding a coordinator for the continuation of this tradition in years to come.

Sincerely,  
CITY OF YORKTON

Jessica Matsalla  
Director of Legislation and Procedures (City Clerk)
