The 2021 Multifaith calendar is now available. The Multifaith Calendar is a unique educational resource that facilitates understanding of religious observances, occasions and festivals important to a wide spectrum of cultural and faith communities. We are excited about the rich diversity of images throughout the Calendar, published in a full size (13" x 10") and colour format. **The 2021 Multifaith Calendar - *Living Legacies***, marks the 35th anniversary edition.

What do we want to leave our children? Do we want to leave polluted air, ravaged forests, dying oceans and toxic garbage dumps, or do we want to clean up our act and create natural beauty and wonder in every landscape? Do we want to leave a world in conflict or a world that values peace, cooperation, and respect? How do we create living legacies for our children, friends, neighbours to inherit and cherish?

Let's think about and imagine the living legacies we could leave - so our children can walk freely in nature, grow food in their own back yards, swim in pristine oceans, and foster enduring respect and love for our communities as well as each other no matter the culture or creed and ensure that we extend dignity and respect for all. The 2021 Multifaith Calendar offers the opportunity to visually reflect on what living legacies can be left for current and future generations.
