

2022 Multifaith Calendar - Resilience

Order form - *Please purchase for yourself, organization & distribute*

The 2022 Multifaith calendar is now available.

Published annually by the Multifaith Action Society (MAS), the Multifaith Calendar is a unique educational resource that facilitates understanding of religious observances, occasions and festivals important to a wide spectrum of cultural and faith communities. Featuring 24 pieces of original art from visual artists across North America and Internationally, the 2022 MFC marks the 36th year of publication and features the theme: Resilience.

Even in the midst of rising seas and turbulent waters, somehow life goes on. Nature endures, people band together. And more than that, they thrive.

Challenges bring suffering, it is true, but they also bring new opportunities. They give us a fresh start. A second chance to improve ourselves and our societies. They teach us courage and humility. During such times, we often have no choice but to stare down our personal and communal imperfections. To see ourselves and others as we really are. The process is painful, but it is also a necessary truth-telling. For it allows us to deepen into empathy and acceptance. And through it, we are purified together, like coal into diamonds.

In this 2022 Multifaith Calendar, we celebrate RESILIENCE and the hope that keeps us afloat, even during the most difficult times.
